Believe in Nothing

Nevermore

Into a strange new world, into the after -
All your tears might find you've fallen too far
Take another look, take another ride
Can't we make them leave the hate behind?And I still believe in nothing...
Will we ever see the shape of tomorrow?Into the empty storm,
Into the formless loss of hope
Where we can forget the game...And I still believe in nothing
Will we ever see the cure for our sorrow?
Nothing is sacred when no one is saved
Nothing's forever, so count your days
