# Mean As You

## Sunny Sweeney

If I was mean as you
I would've done that too
I'd be running down your name
While I was putting out the flame
With someone new
If I had a street like that
Down the middle of my bath
Baby, it'd be all black and blue
Beat up, broken down and bruised
If I was mean as you
Now baby, don't you worry
I ain't wasting my sweet time
I want you to be the first to know
That you're the last thing on my mind
If I cared enough to hurt you
You'd never get a good night rest
Wondering when I was gonna do
The next nasty thing to you
Baby, I've learned from the best
If I was mean as you

Out of hell I'd put you through
I'd be running down your name
While I was putting out the flame
With someone new
If I had a street like that
Down the middle of my bath
Baby, it'd be all black and blue
Beat up, broken down and bruised
If I was mean as you
I'd let some guy spend the night
And make sure you see his car
I'd put it on a billboard just how terrible you are
I's shoot another arrow through your heart
If I was mean as you
If I had a street like that
Down the middle of my bath
Baby, it'd be all black and blue
Beat up, broken down and bruised

If I was mean as you
If I was mean as you
