Goetia

Triptykon

Satan, savior, father
Lord, constructor of my world
Master, destroyer, redeemer
Guide me, I am the open woundUnder a frozen sun
Under a burning moon
All shall be revealed
Under the morning starLord, have mercy upon me
Guilt has ravaged this my flesh
Lord, have mercy upon me
Thine shall be this mortal soul
Son, messiah, deceiver
Pale like bloodless human veins
Sickness, darkness, decay
Mankind shall drown in it's delusions
Bearer of light
Thou haveth fallen from heaven
Evoke thy servants
And release their eternal spellMy heart is black, my heart is dead
Spirits enter into me, let me ascendLie upon lie mankind shall die
