Cheer Me Up

Victoria Justice

Mmm...whoaa...whoaa
Yeah, Uhh
You get me out of my seat, it's like I've been in bed for a week
I've been slippin' n' slidin' all over the place, and nobody cares
And I'm such a disgrace
You get me out of my mood, that's something only you can do,
Cause I feel like I'm home when I'm in your arms
And that's why I need you to...
[Chorus:]Cheer me up,
Come on dance with me, (Whoa)
And you take my hand
Cheer me up (oh,oh)
Even if we're the only ones dancing
Cheer me up (whoa...)
Please won't you cheer me up (oh,oh)
Even if were the only ones that's dancing
Give me a reason to smile, the kind that will last for a while,
Like only you know how, make it OK now,
You got your ways to make this girl's day
It's the magic that's in your touch; it makes everything mean so much...
The poetry in your eyes is enough in itself to take me to a high...
Whoa... (Take me to a high)
You Gotta Cheer Me Up...
(Chorus)
Cheer Me Up,
Come on dance with me (Whoa)
And you take my hand
Cheer Me Up (oh,oh)

Even if we're the only ones dancing
Cheer Me Up (whoa...)
Please won't you when you cheer me up (oh,oh)
Even if were the only ones dancing
You turn my frown upside down,
My smile's lost 'n' found when you are around
(You cheer me up, cheer me up)
You turn my frown upside down,
My smile's lost 'n' found when you are around
Cheer me up

Come on dance with me
And you take my hand
You cheer me up, (oh,oh)
Even if we're the only ones dancing
Cheer me up (oh, oh)
Please won't you cheer me up
Even if we're the only ones dancing
Only you got the magic, only you got the key to my heart
To my heart, yeah...yeah...oh
Only you got the magic, only you got the way to my heart
(you've got to cheer me up)
(Chorus)
Cheer me up,
Come on dance with me (whoa)
And you take my hand
Cheer Me Up (oh,oh)
Even if we're the only ones dancing
Cheer me up (whoa...)
Please won't you when you cheer me up (oh,oh)
Even if were the only ones dancing
