

Lova Boay

Lariss

Burn my desire, ah ahYa, dime que anda, tÃ¹ mira
Dame, encanta, you know that I'm
Fresher than Sandra, dancing with fire and moves like Casandra, ey
They call me 'chica: tu tienes la vida rica'
That's the way I burn my fire
Me only dance with my-my desireI'm waiting for you to be here
(on the dancefloor, on the dancefloor)
Bailando yo quiero vivir!Ey! Mister lova boay, Mr lova boay
Turn up the light porque esto es caliente
Hey! Mister lova boay, Mr lova boay
Turn up the bass, la musica se siente
Hey! Mister lova boay, Mr lova boay
Ey! Mr lova jo-jo-joy
You bring the sun and the fire
Me wanna burn my desire ah ahYa, baila a mi ritmo, ritmo caliente
Yo te lo digo
Eso es cabrá½n, ya ponte listo
Eres sabroso, yo te he visto
Ey! Ven aca chico, te siento
Tu eres rico
That's the way I burn the fire
Me only dance with my desireI'm waiting for you to be here
(on the dancefloor, on the dancefloor)
Bailando yo quiero vivir!Ey! Mister lova boay, Mr lova boay
Turn up the light, porque esto es caliente
Hey! Mister lova boay, Mr lova boay
