

# No Milk Today

## Herman's Hermits

No milk today, my love has gone away  
The bottle stands forlorn, a symbol of the dawn  
No milk today, it seems a common sight  
But people passing by don't know the reason why

How could they know just what this message means  
The end of my hopes, the end of all my dreams  
How could they know the palace there had been  
Behind the door where my love reigned as queen

No milk today, it wasn't always so  
The company was gay, we'd turn night into day

But all that's left is a place dark and lonely  
A terraced house in a mean street back of town  
Becomes a shrine when I think of you only  
Just two up two down

No milk today, it wasn't always so  
The company was gay, we'd turn night into day  
As music played the faster did we dance  
We felt it both at once, the start of our romance

How could they know just what this message means  
The end of my hopes, the end of all my dreams  
How could they know a palace there had been  
Behind the door where my love reigned as queen

No milk today, my love has gone away  
The bottle stands forlorn, a symbol of the dawn

But all that's left is a place dark and lonely  
A terraced house in a mean street back of town  
Becomes a shrine when I think of you only  
Just two up two down

No milk today, my love has gone away  
The bottle stands forlorn, a symbol of the dawn  
No milk today, it seems a common sight

But people passing by don't know the reason why

How could they know just what this message means

The end of my hopes, the end of all my dreams

How could they know a palace there had been

Behind the door where my love reigned as queen

No milk today, it wasn't always so

The company was gay, we'd turn night into day

But all that's left is a place dark and lonely

A terraced house in a mean street back of town

Oh all that's left is a place dark and lonely

A terraced house in a mean street back of town

Oh all that's left is a place dark and lonely

A terraced house in a mean street back of town
