

# I Love Play Rehearsal

Stephanie Hsu

(Christine)

I love play rehearsal  
because it's the best,  
because it is fun.  
I love play rehearsal,  
and I get depressed ,  
as soon as its done.

But not depressed as in like "kill your self" depressed  
No, I'm not into self harm,  
Dude, I swear, here check my arm.

See I just use the word to emphasise a point,  
show the passion that I've got?  
I am passionate a lot.

I have mad, gigantic feelings  
red and frantic feelings  
about most everything  
like gun-controle, like spring,  
like If I'm living up to all I'm ment to be.  
I also have a touch of A.D.D

(spoken)

Where was I?  
Oh right.

(sung)

I love play rehearsal  
'Cause you are equipped  
With directions and text.  
Life is easy in rehearsal  
you follow a script  
so you know what comes next

Anywho, the point I am getting to  
is sometimes life can't work out in the way  
It works out in a play.  
Like the only time I get to be the center of attention

is when I'm Juliet or Blanche DuBois and can I mention  
That was really one of my best roles, did you see that?!

And no matter how hard I try  
it's impossible to narrow down the many reasons why-y-y-y

I love play rehearsal  
I happiness-cry  
Whenever it starts  
I-I-I-It's just so universal  
getting to try  
playing so many parts

Most humans do one thing for all of their lives,  
The thought of that gives me hives.  
I've got so many intrests I wanna persue-  
\*\*\*\* telling this to you  
Guess there's a part of me that wants to.

Back to play rehearsal,  
my brain is like "zzz"  
my heart is like "Wow!"  
because we're here at play rehearsal  
and it starting  
we're starting  
its starting  
Soon
