

Talking Bird (Demo)

Death Cab for Cutie

Oh, my talking bird
Though you know so few words
You're on infinite repeat
Like your brain can't keep up with your beak And you're kept in an open cage
So you're free to leave or stay
And sometimes you get confused
Like there is a hint that I'm trying to give you The longer you think
The less you know what to do It's hard to see your way out
When you live in a house, in a house
You don't realize that the windows
Were open the whole time But oh, my talking bird
Though your feathers are tattered and furled
I'll love you all your days
'Til the breath leaves your delicate frame It's all here for you
As long as you choose to stay
It's all here for you
As long as you don't fly away
