

Inside Us All

Creed

When I'm all alone
And no one else is there
Waiting by the phone
To remind me
I'm still here
When shadows paint the scenes
Where spotlights used to fall
And I'm left wondering
Is it really worth it all?
There's a peace inside us all
Let it be your friend
It will help you carry on In the end
There's a peace inside us all
Life can hold you down
When you're not looking up
Can't you hear the sound?
Hearts beating out loud
Although the names change
Inside we're all the same
Why can't we tear down these walls?
To show the scars we're covering
There's a peace
There's a peace inside us all
Let it be Oh, can't it be your friend?
