

# We Were Wealth

## Wye Oak

Though i am grown  
I'm living like a child now  
I wait, i want  
Giving myself everything  
Fearing the release  
Keeping the peace  
Say, for instance  
I pay money for a \_\_\_\_\_  
Sight unseen  
How is it that he speaks for me?  
Poor or never  
In \_\_\_\_\_  
Feel the days end  
And we close down  
spend your own and  
we shall all see  
if we run or fly  
we run away  
on my own and  
we will go free  
we will go free  
we will go free
