

Heaven Can Wait (Beatboxx Beauty Mix)

Michael Jackson

Tell the angels no, I don't want to leave my baby alone

I don't want nobody else to hold you

That's a chance I'll take

Baby I'll stay, Heaven can wait

No, if the angels took me from this earth

I would tell them bring me back to her

It's a chance I'll take, maybe I'll stay

Heaven can waitYou're beautiful

Each moment spent with you is simply wonderful

This love I have for you girl it's incredible

And I don't know hat I'd do, if I can't be with you

The world could not go on so every night I pray

If the Lord should come for me before I wake

I wouldn't want to go if I can't see your face, can't hold you close

What good would Heaven be

If the angels came for me I'd tell them noTell the angels no, I don't want to leave my baby alone

I don't want nobody else to hold you

That's a chance I'll take

Baby I'll stay, Heaven can wait

No, if the angels took me from this earth

I would tell them bring me back to her

It's a chance I'll take, maybe I'll stay

Heaven can waitUnthinkable

Me sitting up in the clouds and you are all alone

The time might come around when you'd be moving on

I'd turn it all around and try to get back down to my baby girl

Can't stand to see nobody kissing, touching her

Couldn't take nobody loving you the way we were

What good would Heaven be

If the angels come for me I'd tell them noTell the angels no, I don't want to leave my baby alone

I don't want nobody else to hold you

That's a chance I'll take

Baby I'll stay, Heaven can wait

No, if the angels took me from this earth

I would tell them bring me back to her

It's a chance I'll take, maybe I'll stay

Heaven can waitOh no, can't be without my baby

Won't go, without her I'd go crazy

Oh no, guess Heaven will be waiting

Ooh
Oh no, can't be without my baby
Won't go, without her I'd go crazy
Oh no, guess Heaven will be waiting
OohTell the angels no, I don't want to leave my baby alone
I don't want nobody else to hold you
That's a chance I'll take
Baby I'll stay, Heaven can wait
No, if the angels took me from this earth
I would tell them bring me back to her
It's a chance I'll take, maybe I'll stay
Heaven can waitJust leave us alone, leave us alone
Please leave us alone
