

# You Can't Talk To Me Like That

**Nikki Lane**

You can't talk to me like that  
The words you say, make me CRAZY  
You can't talk to me like that  
It makes me wanna be your BABY

I know you want me,  
But you've set your track  
It's just not any GIRL to act like that  
So why you'd always want to bring it back on me?!

You can't talk to me like that  
It makes me wanna LEAVE IT ALL behind  
Please don't talk to me like that  
It started to mess with my MIND

I know you want me,  
But you've set your track  
It's just not any GIRL to act like that  
So why you'd always want to bring it back on me?!

When it's all said & done,  
You know I don't know what want  
But you, and only you  
Do you want me too?!

I know you want me,  
But you've set your track  
It's just not any GIRL to act like that  
So why you'd always want to bring it back on me?!  
You can't talk to me like that  
The words you say, make me CRAZY  
Please don't talk to me like that  
It makes me wanna be your BABY  
YOUR BABY
