

Misunderstood

Fly Away Hero

Under the surface
weâ€™re all the same
Searching for purpose
hiding from shame

I got your letter
it tells me whoâ€™s to blame
And do you feel better
causing me pain, so much pain

And Iâ€™m sorry Iâ€™m not
all the things that you want
all the things that you thought
I would be

I guess Iâ€™m not like you
not something your used to
maybe something brand new
youâ€™ve never seen

Wish I could read your mind
be part of your kind
I would be if I could
Misunderstood

Wish I could somehow be
all that you want from me
But now Iâ€™m gone for good

You know I canâ€™t help it
I get too attached
But I take every flower I gave you
and know that I made you a song that I sang you
I wish I could take them back, take them back

And Iâ€™m sorry Iâ€™m not
all the things that you want
all the things that you thought
I would be

I guess Iâ€™m not like you
not something your used to
maybe something brand new
youâ€™ve never seen

Wish I could read your mind
be part of your kind
I would be if I could
Misunderstood

Wish I could somehow be
all that you want from me
But now Iâ€™m gone for good
Misunderstood

Iâ€™m sorry Iâ€™m not
all the things that you want
all the things that you thought
I would be

I guess Iâ€™m not like you
not something your used to
maybe something brand new
youâ€™ve never seen

Iâ€™m so sorry

Under the surface
Weâ€™re all the same.
