

# Waiting On Me

## Home Grown

Take this gun away  
I'm not asking for sympathy  
Staring at the screen  
I'm not leaving so you won't win I'm comfortable to let you go  
Oh waiting on me  
The timing's off, it's just a show  
Oh waiting on me  
My heart has stopped, desire is gone Take this cup from me  
So I can breathe, I'm on empty  
My priorities are not set straight  
So I can't see I'm comfortable to leave you cold  
Oh waiting on me  
The timing's off, I'm moving slow  
Oh waiting on me  
My heart has stopped, desire is gone  
And I don't have the time to waste your time [Incomprehensible] will heal my lifeless heart?  
But I don't have the time Waiting on me  
The timing is off, just let me go  
Waiting on me  
Your heart will stop, I will move on  
And I don't have the time to waste your time
