

# Lonesome Road

## Duane Eddy and His Rebels

Look down, look down  
That lonesome road  
Before you travel on Look up, look up  
And greet your maker  
'Fore Gabriel blows his horn Weary of toting such a heavy load  
Trudging down that lonesome road Look down, look down  
That lonesome road  
Before you travel on Weary of toting such a heavy load  
Trudging down that lonesome road Look down, look down  
That lonesome road  
Before you travel on  
Before you travel on
