Dancing Mood

Delroy Wilson

I'm in a dancing mood
I'm in a dancing mood
I'm in a dancing moodWhen you feel the beat
You've got to move your feet
You've got to clap your hands
You've got all the soul
Deep inside 'cause you can't hideI'm in a dancing mood
I'm in a dancing mood
I'm in a dancing moodWhen you feel the beat
You've got to move your feet
You've got to clap your hands
'Cause you've got all the soul
Deep inside 'cause you can't hideI'm in a dancing mood
I'm in a dancing mood
I'm in a dancing mood
I'm in a dancing mood
I'm in a dancing mood
I'm in a dancing moodI'm in a dancing mood
I'm in a dancing mood
I'm in a dancing mood
I'm in a dancing mood
I'm in a dancing mood
I'm in a dancing
