Like A Song

Lenka

[Chorus]
I can't forget you when you're gone
Your like a song
That goes around in my head
And how I regret
It's been so long
Oh what went wrong
Could it be something I said
Time, make it go faster
Or just rewind
To back when I'm wrapped in your armsAll afternoon long
It's with me
The same song
You left a light on
Inside me
My loveI can remember
The way that it felt
To be holding on to you[Chorus]
