So He Left You

So He Left You
Words & Music by Chapman James

So he left you
With nothing more than an aching in your soul
So he left you
There are days to live somehow though they be so bitter cold
What can heaven bring
While youâ€™re wandering
Missing everything you need
Thereâ€™s no hand to hold
No Name to call
No feelings to believe

So he left you
But still the sun comes up and the wind still moves the clouds
So he left you
Are you still you or what? Donâ€™t be lost among the crowds
What will old friends say
As you walk away
Knowing everyday you you bleed
With no hand to hold
No Name to call
No feelings to believe

So he left you
And you have run to me. You must know I care so much.
What he left you
Is the chance to see that thereâ€™s love beyond his touch
So I will be right here
Catching every tear
Just lean all your fears on me
Hereâ€™s my hand to hold
And my name to call
And my feelings to believe
