Sugar

Jason Rubero

Taste this

The strangest sugar in your mouth

I missed

Chased the flavor north, but it was headed south

The oddest honey on your tongue

I'm writing from the bottom rung

With mute pen inconsequent

If I let you bring me into the fold...

Touch this

The softest weapon that you'll ever feel

The bliss

Furious at first, but still plugging in the real

If I let you bring me into the fold...

Know this

I wanna sail this boat with you on glassy waters warm

But it lists

And I'm clawing for shelter in this heavy approaching storm

The oddest honey on your tongue

I signal from the bottom rung

A broken telegraph to you

The sweetest honey on your tongue

I'm jumping from the bottom rung

Careful not to fall and break

Promises
