

U (ft. Bo Bruce)

[Gareth Emery](#)

Walking down the highway, traffic's coming my way
All I see are flashing lights
People wearing blue suits wanna know the real truth
How many did I have tonight?
Looking at the wreckage anyone would guess that all inside had died
But I'm alive Wake up in a strange place, angels over my head
One of them is shouting clear
Thousand bolts of lightning bring me back to life
And it's a miracle that I'm still here
As I'm coming to, I'm screaming out, I need you by my side
And I'm alive No, I didn't pray to god
No, I never saw the light
No, I didn't watch my life go flashing right before my eyes
No, I didn't do the things that they all said that I would do
I just closed my eyes and all I saw was you No, I didn't pray to god
No, I never saw the light
No, I didn't watch my life go flashing right before my eyes
No, I didn't do the things that they all said that I would do
I just closed my eyes and all I saw was you
