

You're Everywhere

Third Day

Like the rain that falls to the earth below
Watering the seed to grow
So it is with Your precious word, O Lord
It won't return until I know that You're everywhere
You're everywhere Like wind that blows no one really knows
From where it comes or where it goes
So it is with You Holy Spirit, Lord
Falling down on us to show that (You're everywhere) Like the rain that falling
(You're everywhere) Like the wind that's blowing
(You're everywhere) Like the sun upon my face
I feel the warmth in Your embrace
You are everywhere
