

Whole Lot of Heart

Ingrid Michaelson

You said there's something 'bout the moon
It rose too soon
We're doing what we should
You said it's life that moves too much
We're losing touch
But I'm not losing you There's a whole lot of heart in me
I feel it under my skin
And I know and I know and I know
There's a whole lot of heart in me
It takes a whole lot of heart to see
Everything's coming down roses And I know and I know and I know
There's a whole lot of heart in me
There's a whole lot of heart in me I said we've walked this way before
Now we know more
So raise a cup
I say let's rule this kingdom
Now let's live and love and tear it down
To build it up There's a whole lot of heart in me
I feel it under my skin
And I know and I know and I know
There's a whole lot of heart in me
It takes a whole lot of heart to see
Everything's coming down roses And I know and I know and I know
There's a whole lot of heart in me
There's a whole lot of heart in me Let it go
To let it in, to let it in, let it in
Let it go, let it go
To let it in, to let it in, let it in
Let it go, oooh, yeah let it go
To let it in
And I know and I know and I know There's a whole lot of heart in me
There's a whole lot of heart in me
I feel it under my skin
And I know and I know and I know
There's a whole lot of heart in me
It takes a whole lot of heart to see
Everything's coming down roses And I know and I know and I know
And I know and I know and I know
There's a whole lot of heart in me

There's a whole lot of heart in me And I know and I know and I know
And I know and I know and I know
And I know and I know and I know
And I know and I know and I know
And I know and I know and I know
