

Someday We'll All Be Free

James Ingram

Hang on to the world as it spins around
Just don't let the spin get you down
Think of moving fast
Hold on tight and you will last
Give your self respect, your manly pride
Get yourself in gear
Keep your stride
Never mind your fears
Brighter days will soon be here
Take it from me, someday we'll all be free, yeah
Keep on walking tall
Hold your head up high
Lay your dreams right up to the sky
Sing your greatest song
And you'll keep going, going on
Take it from me, someday we'll all be free
Hey, just wait and see, some day we'll all be free, yeah
Take it from me, someday we'll all be free
It won't be long, take it from me, someday we'll all be free
Take it from me, take it from me, take it from me
