

Gateway to Hell

My Life With the Thrill Kill Kult

You want danger huh
I'll show you what danger is baby
What are you talking about
Gateway to hell
What are you talking about
G-g-g-g-gate-gateway to hell
G-g-g-g-gate-gateway to hell
G-g-g-g-gate-gateway to hell
We try to remember
What's right and what's wrong
We seem to forget
Where we belong
Somebody talks
Assaulting your tongue
Discussing your life
Where you belong
You're not real
We used to think so
You're not real (You're not real)
We used to think so
G-g-g-g-gate-gateway to hell
G-g-g-g-gate-gateway to hell
What are you talking about
What are you talking about
We try to remember
What's right and what's wrong
We seem to forget
Where we belong
Remove the scum
And fill in the hole
No kingdom come
Awaiting in gold
You're not real
We have to think so
You're not real
We have to think so
You're not real
We have to think so
You're not real

We have to think so
(Gateway to hell)
You're not real
G-g-g-g-gate-gateway to hell
You're not real
G-g-g-g-gate-gateway to hell
You're not real
G-g-g-g-gate-gateway to hell
You're not real
G-g-g-g-gate-gateway to hell
You're not real
Gateway to hell
You're not real
Gateway to hell
You're not real
