

Heart Drop

Inna

Here come the beat drop
Here come the beat All I wanna do is feel your vibe
Keep my body shaking through the night
When the morning comes, press rewind
Wanna feel that heart drop one more time! Let me inside and I'll show you all my love
I'll show you all my love /x2
Open your eyes baby, I could be the one
Baby, I could be the one Here come the beat drop
Baby, baby
The bass is like your heartbeat
I can feel it, just look into my eyes
And I'll boom boom boom bo-roo boom boom boom
Boom boom boom bo-roo boom boom boom
Boom boom boom bo-roo boom boom
We go! Here come the beat drop
Here come the beat Got me feeling crazy here tonight
Playing hard to get but I don't mind
Searching up my beat deep inside
Boy you put my heart on double time Let me inside and I'll show you all my love
I'll show you all my love /x2
Open your eyes baby, I could be the one
Baby, I could be the one
Here come the beat drop Baby, baby
The bass is like your heartbeat
I can feel it, just look into my eyes
And I'll boom boom boom bo-roo boom boom boom
Boom boom boom bo-roo boom boom boom
Boom boom boom bo-roo boom boom
We go! Here come the beat drop
We go!
Here come the beat Baby, baby
The bass is like your heartbeat
I can feel it, just look into my eyes
And I'll boom boom boom bo-roo boom boom boom
Boom boom boom bo-roo boom boom boom
Boom boom boom bo-roo boom boom
We go!
Here come the beat
We go!
