

Here I Go Again

The Hollies

Here I go again
Watch it now 'cos
Here I go again I've been hurt so much before
I told myself, yes I did
No more, no more won't get hurt any more There I was out by myself
Doin' all right
Until I saw you last night And then I knew that here I go again
I cannot help it
Here I go again Making the same mistakes
Heading for more heartaches What can I do when there's nothing I can do?
I looked in your eyes and I knew that I was blue What's the use? I'll just give in
Try as I may and I do
I'll never win, never win, baby I'll never win Now you're here, so close to me
I can't resist you and I knew when I kissed you
I'm gonna sing now Here I go again
Watch it now 'cos
Here I go again Falling in love, in love
Falling in love, in love
Falling in love, in love
Falling in love
