

What If It All Means Something

[Chantal Kreviazuk](#)

If I could do anything for you
Believe me I would
Do you feel the same
Feel the same as me?
If I could be anyone for you
Believe me I would
I'm not ashamed
I'm not ashamed to be
Its hard for me to know
Sometimes I feel like letting go
But what if it all means something
What if it all?
What if it all means something
What if it all?
If I could go anywhere for you
Believe me I would
I'd run away, I'd run away
I'd leave
If I could fix everything for you
Believe me I would
Do you feel the same
Feel the same as me?
Its hard for me to know
Well maybe I should just let go
But what if it all means something
What if it all?
What if it all means something
What if it all?
What if it all means something
I wanna know, what if it all ?
What if it all means something
What if it all?
Leave me alone, I am falling apart
Leave me alone, I am falling
If I could do anything for you
Believe me I would
Do you feel the same
Feel the same as me?
Its hard for me to know

Well maybe I should just let go
But what if it all means something
What if it all?
What if it all means something
What if it all?
What if it all means something
I wanna know, what if it all?
What if it all means something
What if it all?
What if it all means something
I wanna know, what if it all?
What if it all means something
I wanna know, what if it all?
What if it all means something
What if it all?
I know it all means something
