Under the Sun

The Izzys

Now this is somethin' from back in the day
I'll always remember Run DMC
And all of the good times
That we had on the beach
Stealing sips from a paper cup
And making out in the sand
Maybe I'm dreaming, can you tell me?
Do you remember, summers that lasted so long?
June till September was our time to sing all the songs
Do you remember all of us together
As we grew up under the sun?
(Day, back back in the day)
I'll always remember everything we do
Rock of the eighties blastin' KROQ
I remember Culture club, The Clash and men without hats
Seems kind of funny right now
But it's taking me back
We'd always sing along and laugh out loud at ourselves
Don't want to stop dreaming can you tell me
Do you remember, summers that lasted so long?
June till September, was our time to sing all the songs
Do you remember, all of us together
As we grew up under the sun?
(Day, back back in the day)
I wanna rewind every time, 'cause the words have so much meaning
They were there when nobody cared
Always knew what I was feeling
Stay tonight don't leave me reminiscing
All I do is wind up missing you
Are you missing me, are you missing me?
Do you remember, summers that lasted so long?
(Day, back back in the day)
Do you remember, all of us together
As we grew up under the sun?
