

# Only In The Past

## The Be Good Tanyas

Run away to the seashore  
It doesn't matter anymore  
It doesn't matter anymoreWords dry up and fly away  
With the passing of the days  
Eventually you just let the stone fallI dreamed that I saw you  
You were down at the corner store  
You were looking through magazines  
And you flew out the doorI was trying to wave to you  
But you wouldn't wave back  
Now you know I understand  
You're with me only in the pastMy palms are not open  
They're closed, they're closedColors streak the sky  
We laugh and we cry  
And we dance in the cool grass  
With the firefliesWe dance in the cool grass  
Sunset birds  
Sweet, sweet music  
Swallow our wordsYou set sail and you left this town  
Run away, run away  
You're so far from me now  
So far from me nowRun away to the seashore  
It doesn't matter anymore  
It doesn't matter anymoreI dreamed that I saw you  
You were down at the corner store [unverified]
