

Gin & Juice (Let Go My Hand)

Andra Day

Just me and my thoughts
And some Gin and Juice
A little gift for myself that I bought
For years of scraping behind you
It wasn't so bad though
You know I can say I learned a lot
Maybe better me than you though
But still why did I get caught

Don't hold my hand boy
Don't hold my hand
Let go my hand boy
Don't hold my hand
In my ear I hear you whisper low
(Let it go, let it go)

Trying your best to excite me
(Move along, move along)
Cuz you know you must leave me

More than one or two fiery nights broke out
So many times I ended up on
On the pavement
But now I'm crying out
Don't hold my hand boy
Don't hold my hand
Let go my hand boy
Don't hold my hand
