

# The Love I Lost (Re-Recorded)

## Harold Melvin & The Blue Notes

I can remember planning  
Building my whole world around you  
And I can remember hoping  
That you and I could make it on through  
But something went wrong  
We loved each other  
We just couldn't get along  
Take a good look at me  
I'm in misery, can't you see  
The love I lost (the love, the love I lost)  
Was a sweet love (it was a sweet love)  
The love I lost (the love, the love I lost)  
Was complete love (it was complete love)  
The love I lost (the love I lost)  
I will never (never) no no never  
(Never) love again ooh I can't remember nothing, no no  
But the good times we used to share  
I'm so sad and lonely  
Without you my life is so dead  
I'm sorry to say  
You go your way and I'll go my way  
It hurts deep inside  
The day we said goodbye, but [Chorus]  
The love I lost (the love, the love I lost)  
Was a sweet love (it was a sweet love)  
The love I lost (the love, the love I lost)  
Was complete love (it was complete love)  
The love I lost ooh ooh  
I will never (never) no no never  
(Never) love again (I'll never love again)  
I will never (never) no no never  
(Never) love again ooh ooh ooh ooh  
I will never (never) no no never  
(Never) love again The love, the love I lost, ooh  
The love, the love I lost [Chorus]
