## Dinosaur Jr.

I'm waiting, please come back
I've got the guts now
To meet your eye
Those guts are killing
But I can't stop nowGot to connect with you. girl
Before I forget how
Please, won't you hang around?
Can drop you under
What it is we foundI'm waiting, please come back
I've got the guts now
To meet your eye
Those guts are killing
But I can't stop nowGot to connect with you, girl
Before I forget how
Please, won't you hang around?
Can drop you under
What it is we found
