## Dinosaur Jr.

I'm waiting, please come back  
I've got the guts now  
To meet your eye  
Those guts are killing  
But I can't stop now Got to connect with you. girl  
Before I forget how  
Please, won't you hang around?  
Can drop you under  
What it is we found I'm waiting, please come back  
I've got the guts now  
To meet your eye  
Those guts are killing  
But I can't stop now Got to connect with you, girl  
Before I forget how  
Please, won't you hang around?  
Can drop you under  
What it is we found
