

Slow Down

Michael James

Well youâ€™ve worked late every night this week
You went in early today
You think that if you want to climb to the top
Thatâ€™s the price youâ€™ve got to pay
Well you havenâ€™t had supper with your kids all week
Thereâ€™s more work than ever before
Guess you didnâ€™t hear what your oldest child said
This morning as you walked out the door

Slow down, Daddy, donâ€™t work so hard
Weâ€™re proud of our car
Weâ€™ve got a big enough yard
Slow down, Daddy, we want you around
Daddy, please slow down

Matthew hit his first homerun last night
Daddy youâ€™d have been so proud
After the game when we all went to bed
Thought I heard Mama crying out loud
Oh, your job is important we all understand
Weâ€™re thankful for all that you do
Nothing can replace the happiness
That we have when weâ€™re with you

Slow down, Daddy, don't work so hard
We're proud of our car
We've got a big enough yard
Slow down, Daddy, we want you around
Daddy, please slow down

Slow down, Daddy, don't work so hard
We're proud of our car
We've got a big enough yard
Slow down, Daddy, we want you around
Daddy, please slow down

Daddy please slow down
Daddy, please slow down
Slow down
Daddy, please slow down
