

# With You

Austin Mahone

Hey little momma oohh your a stunner  
Hot little figure yes your a winner and  
I'm so glad to be yours  
Yous a class all your own and  
Hey little cutie when you talk to me  
I swear the whole world stops  
Your my sweetheart and  
I'm so glad that your mine  
You are one of a kind and  
You mean to me what I meant to you and  
Together baby there is nothing we won't do  
Cuz if I got you  
I don't need money  
I don't need cars  
Girls your my heart  
And oh  
I'm into you and girl no one else would do  
Cuz with every kiss and every hug  
You make me fall in love  
And now I know I can't be the only one  
I Bet there's hearts all over the world tonight  
with the love of there life who feel  
How I feel when I'm  
With you  
With you  
With you  
With you  
With you girl  
With you  
With you  
With you  
With you  
With you oh  
I don't want nobody else  
Without you there's no one left and  
Your like Jordans on a Saturday  
I gotta have you an I cannot wait now  
Oohh little shawty you say you care for me  
You know I care for you

You that I'll be true  
You know that I won't lie  
You know that I will try to be your everything  
Cuz if I got you I dnt need money  
I don't need cars girl you my heart  
Yeah oh I'm into you and girl no one else will do  
With every kiss and every hug you make me fall in love  
And now I know I can't be the only one  
I bet theres hearts all over the world tonight  
With the love of there life who feel what I feel  
When I'm  
With you  
With you  
With you  
With you  
With you girl  
With you
