

You Came Near

You Came Near (Intimacy) by Nate Marialke

You came near me
Opened up for me heaven's door
And You ransomed me
Paid a price I could not afford
How can I
Say thank you for the love that you have shown
Now that I can see

(Chorus)
I am healed, I am free
Knowing it's the power of the cross
At work in me
Justified, reconciled
Knowing it's the power of Your love
Alive in me (alive in me)

Love crucified
Your passion for me led You to die
My spirit made alive
Even death's darkness could not contain Your light
How can I say thank You
For the love that You have shown
Now that I can see
(Chorus)

â€ˆCause in You I am right with God
In You I am reconciled
Because of You now I can say
That I am not the man I was
You showed up and broke my silence
Roaring like an untamed lion
You are my King
(Repeats)

To the heart of my God
I wanna go
In the arms of my Christ
I wanna be

The voice of my God
I wanna hear
Intimacy, intimacy
(Repeats)

(Oh to be close to You)
