You got sex siren in your face
Let me get up on it, let me get up on it, let me get up on it
Talk dirty to me babe, every time I want it
Every time I want it, every time I want itHush, please no more games
No more of the same thing
Been thinking maybe could he
Make me scream his name
And give me the right aim
Boy, can you tame these goodies?Baby make me tik tik tik tik tik boom
Tik tik tik tik tik tik
Baby make me tik tik tik tik tik boom
Not too slow and not too quick
Baby make me tik tik boom
Tik tik tik tik tik boom
Tik tik tik tik tik tik tik
Baby make me tik tik tik tik tik boom
Not too slow and not too quick
Baby make me tik tik boomWatch your mouth, lock it up
Why you wanna flaunt it
Why you wanna flaunt it, why you wanna flaunt it
The earth turns, switch it up let me get up on it
Let me get up on it, let me get up on itHush, please no more games
No more of the same thing
Been thinking maybe could he
Make me scream his name
And give me the right aim
Boy, can you tame these goodies?Baby make me tik tik tik tik tik boom
Tik tik tik tik tik tik
Baby make me tik tik tik tik tik boom
Not too slow and not too quick
Baby make me tik tik boomTurn it
Ey, come here for a minute, let me taste you baby

Light your fuel detonate you baby
Got my brain have you going insane
My dynamite stick known to drive chick crazy baby
While you laying on your back with your feet up
Right there in my wife beater
She like the way I eat her, beat her, beat her
Treat her like an animal somebody call PETA
Put a little bit of this inside a margarita
Then put your thing in her have her running like a meter
On a cab in the city where the girls are pretty
Find me in the club where the girls get busy
With a flask on a fat booty, nice shaped titties
My wrist so froze you could ice skate with it
Give it to you til you curlin' your toes
Get your ass out your clothes, sit back and behold the explosion
Baby make me tik tik tik tik tik boom
Tik tik tik tik tik tik
Baby make me tik tik tik tik tik boom
Not too slow and not too quick
Baby make me tik tik boom
Tik tik tik tik tik tik boom
Tik tik tik tik tik tik
Baby make me tik tik tik tik tik boom
Not too slow and not too quick
Baby make me tik tik boom
