

Avalon (A-Tommix Loves You Better Mix)

Juliet

We'll take a holiday you
know Id love you better
We'll take a holiday
you know id love you better
We'll take a holiday you
know id love you betterwhat's the difference if its yours
or if its mine
there's no difference if its
yours or if its mine
anticipation and we haven't
crossed a line
It doesn't matter when its only
a matter of timeWe'll take a holiday you
know I know you'd love me better
We'll take a holiday
you know i know you'd love me better
We'll take a holiday you
know you'd love me betterWe might ever have problems in our life
but this party has the best view
there's no lie
headstrong my precious alibi
i refuse to complecate you more than is right
you are no reason to give you are
no reason to try
catch up to find out
I've never seen this life caught up
i was caught up in the times
catch up to find out I've never seen this life
what's the difference if its yours or if its mine
there's no difference if its your
or if its mine
anticipation and we haven't crossed a line
it doesn't matter when its only a matter of timeWe'll take a holiday you
know Id love you better
We'll take a holiday
you know id love you better
We'll take a holiday you
know id love you bettercatch up to find out
I've never seen this life

caught up
i was caught up in the times
nothings yours we've been stuck in rewindWe stand up to get down
we stand up to get down
(where do we go now)
We stand up to get down
(where do we go now)
We stand up to get down
Where Do we go now x 5We'll take a holiday you
know Id love you better
We'll take a holiday
you know id love you better
We'll take a holiday you
know id love you betterX2
