Just For You

Lionel Richie

Golden days, life was play
Pain was all a world away
We went to school we learned the rules
We trusted all they had to say
Then life took a turn
We had to learn
And we can't go back againAnd my heart is breaking, just for you, just for you
And my arms are open, just for you just for you
Just for youGod was god, dreams were dreams
Life was all cake and ice cream
Truths were true and lies were lies
We thought love would never die
But the world moved on
My illusions gone
And I don't know who to blameAnd my heart is breaking, just for you just for you
And my arms are openÃ¢?Â¦just for you just for you
And these tears I'm crying are just for you just for you
Just forÃ¢?Â¦ youI'm looking for protection
Give me shelter from the storm
I just hope this light inside me keeps me strongAnd my heart is breakingÃ¢?Â¦Just for you just for you
And my arms are open, just for you just for you
And these tears I'm crying are for you just for you
Just for you
Just for youOh my heart is breaking (my heart is breaking)
And my arms are open (And my arms are open)
Oh these tears I'm crying (these tears I'm crying)
There just for you (Are just for u)
Oh yeah
