Sweet Friend

Jacqueline Govaert

Oh girlfriend, I still remember your dreams
A simple house, a couple of kids
You married young in a fairytale dress
But the boy you loved never grew up a manNow life is nothing like the dreams you hadMy sweet friend, there have been good times
Now I'm gonna stick with you through the bad times
When the rain falls hard
Let me light up the darkOh girlfriend, we're living these serious lives
With a lot at stake, that's worth a fight
But you'll be fighting till the bitter endMy sweet friend, there have been good times
Now I'm gonna stick with you through the bad times
When the rain falls hard
Let me light up the darkMy sweet friend, there'll be good times
First I'm gonna stick with you through the bad times
Hold my hand
I know you were scaredMy sweet friend, there have been good times
Now I'm gonna stick with you through the bad times
When the rain falls hard
Let me light up the darkMy sweet friend, there'll be good times
First I'm gonna stick with you through the bad times
Hold my hand
I know you were scaredOh my sweet friend, there'll be good times
First you have to fight your way through the bad times
Hold my hand
I know you were scared, oh my sweet friendOh my sweet friend
Oh my sweet friend
