When You're In Love (for The First Time)

Steve Perry

When you're in love
For the first time
Nothin' you can do
You lose your heart
For the first time, yeah
It's happenin' to you
You keep you're life
In your pocket
Safely tucked away
When you're in love
For the first time
Whoa, there's nothin' you can say
Listen now
There she goes lovin' you
She's holdin' your hand, yeah
You're thinkin' you're so strong
Oh, she's more than you can stand
When you're in love
For the first time
There's nothin' you can say
You're on your way
For the first time
Whoa, it happens every day
Oh yeah yeah
In love

So good
So nice
It happens all the time, yes
It happens every day
Whoa, my darlin', love is here to stay
And you're in love
For the first time
Nothin' you can do
Yes, you're in love
For the first time
It's happening to you
Oh, we're in love
Oh, nothin' you can do

'Cause you're in love, oh
When, when, when you're in love
When you're, when you're in love
Nothin', nothin', nothin' you can do, no
We're in, we're, you're in love, in love
Oh baby, oh baby
Oh, nothin' you can do
When you're in love, when you're in love
When you're in love, when you're in love
When you're in love, when you're in love
