Sweet Virginia

Burning

Now is time, the time is now for you to see
In my life is where I long for you to be
I need a love that has no ending
Virginia on that I'm depending
Don't let me go, sweet Virginia
Darlin' let me in ya, in your heart
Don't let me go, sweet Virginia
Darlin' let me in ya, in your heart, sweet Virginia
Life is high, life is low and this I know
You can't hide behind the clouds, so let it show
Take me back to the beginning
To where the sun is always shining
Don't let me go, sweet Virginia
Darlin' let me in ya, in your heart
Don't let me go, sweet Virginia
Darlin' let me in ya, in your heart
Sweet Virginia, I need a love that has no ending
Virginia on you, I'm depending
Don't let me go, sweet Virginia
Darlin' let me in ya, in your heart
Don't let me go, sweet Virginia
Darlin' let me in ya, in your heart
Sweet Virginia, sweet Virginia, sweet Virginia
