

Sweet Virginia

Burning

Now is time, the time is now for you to see
In my life is where I long for you to be
 I need a love that has no ending
 Virginia on that I'm depending
 Don't let me go, sweet Virginia
 Darlin' let me in ya, in your heart
 Don't let me go, sweet Virginia
 Darlin' let me in ya, in your heart, sweet Virginia
 Life is high, life is low and this I know
 You can't hide behind the clouds, so let it show
 Take me back to the beginning
 To where the sun is always shining
 Don't let me go, sweet Virginia
 Darlin' let me in ya, in your heart
 Don't let me go, sweet Virginia
 Darlin' let me in ya, in your heart
 Sweet Virginia, I need a love that has no ending
 Virginia on you, I'm depending
 Don't let me go, sweet Virginia
 Darlin' let me in ya, in your heart
 Don't let me go, sweet Virginia
 Darlin' let me in ya, in your heart
 Sweet Virginia, sweet Virginia, sweet Virginia
