

# Three bells

## The Wolfnote

There's a village hidden deep in the valley  
Among the pine trees half forlorn  
And there on a Sunny morning  
Little Jimmy Brown was bornAll the chapel bells were ringing  
In the little valley town  
And the songs that they were singing  
Were for baby Jimmy BrownThen the little congregation  
Prayed for guidance from above  
"Lead us not into temptation  
Bless this hour of meditation  
Guide him with eternal love"There's a village hidden deep in the valley  
Beneath the mountains high above  
And there, twenty years thereafter  
Jimmy was to meet his loveAll the chapel bells were ringing  
Was a great day in his life  
'Cause the songs that they were singing  
Were for Jimmy and his wifeThen the little congregation  
Prayed for guidance from above  
"Lead us not into temptation  
Bless oh Lord, this celebration  
May their lives be filled with love"From the village hidden deep in the valley  
One rainy morning dark and gray  
A soul winged its way to heaven  
Jimmy Brown had passed awayJust a lonely bell was ringing  
In the little valley town  
'Twas farewell that it was singing  
To our good old Jimmy BrownAnd the little congregation  
Prayed for guidance from above  
"Lead us not into temptation  
May his soul find the salvation  
Of thy great eternal love"
