Rally 'round The Fool

The Get Up Kids

Rally 'round the fool we all fall
The promise of a better life
But after all the lights have gone off
You just lost your appetite
Desperate hearts, desperate hands
Left in the sea to sink where we stand
Rally 'round the fool we all fall
It's criminal at any price
Rally 'round the fool we all fall
Surely you don't really think
That you really do deserve all

You didn't work for anything
But after tonight play by the rules
Burning the bridge, embarrass the tool
Rally 'round the fool we all fall
The only thing that's left to say
It's all over, it's all over
It's all over, it's all over
It's all over, it's all over
[Incomprehensible][Incomprehensible]
