

Cheer Up

Reel Big Fish

You say you're down, you can't lose that frown
Life sucks, what else is new, that's tough
There's not much you can do
You're not the only one, not havin' any fun I've got a funny feelin'
We're all born to lose
And I've got a funny feelin'
That this life ain't worth livin' through I've been depressed and I get so stressed
Life sucks, I don't wonder why, that's tough
I just keep on tryin'
So I won't be the one not havin' any fun I've got a funny feelin'
We're all born to lose
And I've got a funny feelin'
That this life ain't worth livin' through I'm not givin' up yet
That's not the end of me
But it's not gonna be all right
You'll see, you'll see I've got a funny feelin'
We're all born to lose
And I've got a funny feelin'
That this life ain't worth livin' I've got a funny feelin'
We're all born to lose
And I've got a funny feelin'
That this life ain't worth livin' I've got a funny feelin'
I've got a funny feelin'
I've got a funny feelin'
I've got a funny feelin'
Cheer up
