Caramia

Novastar

Everyday I think of you
Won't you be a friend of mine
All I do is think of you, Caramia
And it blows my mind to find
You're still out there
All I do is think of you, CaramiaAnd it's all too much for me to take
I guess it's all too much for me to takeEver since you came around
I feel so fine
All I want is you, Caramia
And it's all to much for me to take
I guess it's all to much for me to takeI simply can not find the truth for myself
Suddenly I found the truth for myself
So come come, turn me on
So come come, turn me on
So come come, turn me onEvery day I think of you
Won't you be a friend of mine
All I want is you, CaramiaI simply can not find the truth for myself
I simply can not live my life on myself
So come come, turn me on
Caramia
You turn me on
Caramia
You turn me on
