

# Caramia

## Novastar

Everyday I think of you  
Won't you be a friend of mine  
All I do is think of you, Caramia  
And it blows my mind to find  
You're still out there  
All I do is think of you, Caramia  
And it's all too much for me to take  
I guess it's all too much for me to take  
Ever since you came around  
I feel so fine  
All I want is you, Caramia  
And it's all to much for me to take  
I guess it's all to much for me to take  
I simply can not find the truth for myself  
Suddenly I found the truth for myself  
So come come, turn me on  
So come come, turn me on  
So come come, turn me on  
Every day I think of you  
Won't you be a friend of mine  
All I want is you, Caramia  
I simply can not find the truth for myself  
I simply can not live my life on myself  
So come come, turn me on  
Caramia  
You turn me on  
Caramia  
You turn me on
