Oh Comely

Neutral Milk Hotel

Advisory - the following lyrics contain explicit language:

Oh, Comely, I will be with you when you lose your breath
Chasing the only meaningful memory you thought you had left
With some pretty bright and bubbly terrible scene
That was doing her thing on your chestBut oh, Comely, it isn't as pretty as you'd like to guess
In your memory you're drunk on your automy
It doesn't mean anything at allOh, Comely, all of your friends are all letting you blow
Bristling and ugly, bursting with fruits falling out from the holes
Of some pretty bright and bubbly friend
You could need to say comforting things in your earBut oh, Comely, there isn't such one friend that you could find here
Standing next to me, he's only my enemy
I'll crush him with everything I ownSay what you want to say and hang for your hollow ways
Moving your mouth to pull out all your miracles aimed for meYour father made fetuses with flesh licking ladies
While you and your mother were asleep in the trailer park
Thunderous sparks from the dark of the stadiums
The music and medicine you needed for comfortingSo make all your fat fleshy fingers to moving
And pluck all your silly strings and bend all your notes for me
Soft silly music is meaningful, magical
The movements were beautiful all in your ovariesAll of them milking with green fleshy flowers
While powerful pistons were sugary sweet machines
Smelling of semen all under the garden
Was all you were needing when you still believed in meSay what you want to say and hang for your hollow ways
Moving your mouth to pull out all your miracles aimed for meAnd I know they buried her body with others
Her sister and mother and five hundred families
And will she remember me fifty years later
I wished I could save her in some sort of time machineKnow all your enemies, we know who our enemies are
Know all your enemies, we know who our enemies areGoldaline, my dear, we will fold and freeze together
Far away from here, there is sun and spring and green forever
But now we move to feel for ourselves inside some stranger's stomach
Place your body here, let your skin begin to blend itself with mine
