Star (Live Version)

Reamonn

Tell me if you got a problem
Tell me if it's in your way
Tell me if there's something bothering you
Tell me, what should I sayYou know I'd do almost anything
You know I'd change the world
You know I'd do almost anything
For my little girlTell me if you got a problem
Tell me now what's inside
Show me if you broke your heartstrings
You know you never need to hideYou know I'd do almost anything
You know I'd paint the sky
You know I'd do almost anything
For you, my guiding lightYou're my star, shining on me now
A love from worlds apart, I need for you
You are my shining star, my star
A love from worlds apart, I need for you
You are my shining starOnce upon a time a memory
Once upon a time a girl
Once upon a time a perfect life
Once upon a perfect worldYou know I'd do almost anything
For you, my guiding light
You know I'd do almost everything
To keep you in my lifeYou're my star, shining on me now
A love from worlds apart, I need for you
You are my shining star, my star
A love from worlds apart, I need for you
You are my shining starJust a memory
Every dream is of you and me
If I wish upon a star
Well, I hope that's where you areWhen heavens turn
You know you'll shine you're in my heart for all time
When heaven turns
You know you'll shine in worlds apart'Cause yeah, you are my star
Shining on me now
A love from worlds apart, I need for you
You are my shining star, my star
A love from worlds apart, I need for you
You are my shining starShining on me now
A love from worlds apart, I need for you

You are the shining star, my star
A love from worlds apart, I need for you
You are my shining star
